

Life Mapping offers parents an important tool for helping their child prosper and grow!

Unfolding the Tent

ADVOCATING FOR YOUR ONE-OF-A-KIND CHILD

Anne Addison

This book, directed to the parents of children with neurological and related disorders, introduces the concept of life mapping as a systematic approach to developing goals and strategies that guide an individual towards reaching his highest potential.

ABOUT THE AUTHOR

Anne Addison is the author of *One Small Starfish: A Mother's Everyday Advice, Survival Tactics & Wisdom for Raising a Special Needs Child*. She has lectured at conferences throughout the country and her writings are featured in numerous magazines. She runs a private company and is a member of education and health-care related boards. She lives in Connecticut with her husband and two children.
